

Biography

Gene Podkaminer, CFA

Head of Research, Franklin Templeton Investment Solutions

Gene Podkaminer is executive vice president and head of research for Franklin Templeton Investment Solutions. In this role he directs research activities across markets and asset classes, strategic and tactical asset allocation, manager due diligence and selection, using quantitative and fundamental approaches, and incorporating insights from investment teams throughout the firm. Mr. Podkaminer chairs the Investment Strategy Research Committee which informs asset allocation strategy across the solutions organization. He also serves as a portfolio manager for the Franklin Global Allocation Fund.
