

## **IMPORTANT INFORMATION**

**This invitation is for the intended recipient only and may not be further disseminated without the prior approval of Franklin Templeton.**

**This webinar is for information only and does not constitute investment advice or a recommendation and was prepared without regard to the specific objectives, financial situation or needs of any particular person who may receive it and does not constitute legal or tax advice. This document may not be reproduced, distributed or published without prior written permission from Franklin Templeton.**

Any research and analysis contained in this document has been procured by Franklin Templeton for its own purposes and may be acted upon in that connection and, as such, is provided to you incidentally. Data from third party sources may have been used in the preparation of this document and Franklin Templeton has not independently verified, validated, or audited such data. Although information has been obtained from sources that Franklin Templeton believes to be reliable, no guarantee can be given as to its accuracy and such information may be incomplete or condensed and may be subject to change at any time without notice. Any views expressed are the views of the portfolio manager as of the date of this document and do not constitute investment advice. The underlying assumptions and these views are subject to change based on market and other conditions and may differ from other portfolio managers or of the firm as a whole. The mention of any individual securities should neither constitute nor be construed as a recommendation to purchase, hold or sell any securities, and the information provided regarding such individual securities (if any) is not a sufficient basis upon which to make an investment decision. The information provided in this material is not intended as a complete analysis of every material fact regarding any country, region or market. There is no assurance that any prediction, projection or forecast on the economy, stock market, bond market or the economic trends of the markets will be realized. Franklin Templeton accepts no liability whatsoever for any direct or indirect consequential loss arising from the use of any information, opinion or estimate herein and reliance upon the comments opinions and analyses in the document is at the sole discretion of the user.

**The value of investments and the income from them can go down as well as up and you may not get back the full amount that you invested. Past performance is not necessarily indicative nor a guarantee of future performance.**

Products, services and information may not be available in all jurisdictions and may be offered by other Franklin Templeton affiliates and/or their distributors as local laws and regulation permits. Please consult your own professional adviser for further information on availability of products and services in your jurisdiction. This is not an offer to sell or a solicitation of an offer to purchase securities in any jurisdiction where it would be illegal to do so.
